Scholarship Affirmation

The recipient agrees that she:

1. Believes the Bible is the inspired, infallible, authoritative Word of God.
2. Believes there is only one God who eternally exists in three persons: Father, Son, and Holy Spirit.
3. Believes in the deity of the Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His death on the cross, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
4. Believes in the present ministry of the Holy Spirit, whose indwelling enables the Christian to live a godly life.
5. Believes in the bodily resurrection of believers and unbelievers. At the final judgment, unbelievers will be separated forever from God in a place of everlasting punishment because of their rejection of Jesus Christ. Believers, in their resurrected bodies, will live in God's glorious presence as they worship and serve Him forever.
6. Believes in the spiritual unity of believers in our Lord Jesus Christ, that all believers are members of His body, the Church.
7. Believes God's design for sexual intimacy is to be expressed only within the context of marriage. God instituted marriage between one man and one woman as the foundation of the family and the basic structure of human society. For this reason, we believe that marriage is exclusively the union of one man and one woman.
8. Believes men and women are absolutely equal in essence, dignity, and value but are distinct by divine design. As part of God's good created order, men and women are to have different yet complementary roles and responsibilities in the home and church. As it relates to the church, men and women are both expected to lead; however, the office of pastor is reserved for biblically qualified men.
